

ABOUT HOPE FOR NEW YORK

Our **VISION** is a New York City in which all people experience spiritual, social, and economic flourishing through the demonstration of Christ's love.

Our **MISSION** is to mobilize volunteer and financial resources to support non-profit organizations serving the poor and marginalized in New York City.

WHAT WE PROVIDE

VOLUNTEERS TO SERVE OUR NEIGHBORS

We mobilize volunteers and equip leaders to serve our affiliate partners.

GRANTMAKING TO SUPPORT PROGRAMS

Our grants help organizations meet practical needs, from job skills training to after-school programs to food pantries.

CAPACITY BUILDING TO GROW ORGANIZATIONS

We offer best practices training and consulting so our partners can do their work even better.

We partner with local churches committed to the work of mercy and justice through holistic ministry—sharing the good news of Christ's love and demonstrating this through generosity of their time and resources.
